

**Bruno LOPEZ**

**Deputy Chief Executive Officer
President & Group CEO, STT GDC**

Bruno Lopez is Deputy Chief Executive Officer of ST Telemedia (STT) and a member of the company's Board of Directors. He is also President & Group Chief Executive Officer of ST Telemedia Global Data Centres (STT GDC), where he is responsible for driving the growth of STT's data centres business and providing the overall leadership and direction of the STT GDC group.

Bruno joined ST Telemedia in June 2014 and has led STT GDC since its inception. Under his leadership, STT GDC has become one of the fastest-growing data centre providers in Asia and Europe.

An industry veteran in the telecommunications and data centre sectors with more than 30 years of experience, Bruno was previously Chief Executive Officer and Executive Director of Keppel Data Centres where he was instrumental in leading the company's growth and expansion in Asia and Europe. He was also responsible for establishing Securus Data Property Fund, an investment fund focused on data centre assets in the Asia-Pacific region, Europe and the Middle East.

Bruno holds a Bachelor of Arts degree with Honours from the National University of Singapore and a Master's degree from Rutgers University, USA.
